# Tubercle

**Sponsored by the International Union against Tuberculosis and Lung Disease**

Volume 71 Contents 1990

**Leading Articles**

**The treatment of superficial tuberculous lymphadenitis** 1
*I. A. Campbell*

**Tuberculous interstitial nephritis—the tip of an iceberg** 5
*S. H. Morgan, J. B. Eastwood, L. R. I. Baker*

**Original articles**

**Killing of *Mycobacterium tuberculosis* in tissue by microwaves with simultaneous tissue fixation** 7
*A. G. Douglas-Jones, L. R. Duddridge, P. A. Jenkins*

**Assessment of the respiratory metabolism in the skin from transcutaneous measurements of $pO_2$ and $pCO_2$: potential for non-invasive monitoring of response to tuberculin skin testing** 15
*N. C. Abbot, V. A. Spence, J. Swanson-Beck, F. M. T. Carnochan, J. H. Gibbs*

**The use of paraffin wax metabolism in the speciation of *Mycobacterium avium-intracellulare*** 23
*R. A. Ollar, J. W. Dale, M. S. Felder, A. Favate*

**Salivary levels of isoniazid and rifampicin in tuberculous patients** 29
*P. Gurumurthy, F. Rahman, A. S. L. Narayana, G. Raghupati Sarma*

**Abacillary pulmonary tuberculosis** 35
*J. Nørregaard, T. Heckscher, K. Viskum*

**The mycobacteriology of pulmonary tuberculosis in South African gold miners** 39
*R. L. Cowie*

**Does *Mycobacterium tuberculosis* have plasmids?** 43
*Z. F. Zainuddin, J. W. Dale*

**The epidemiology of tuberculosis in Bahrain** 51
*S. K. Malik, S. Khalfan*

**Knowledge and attitudes about tuberculosis of black hospitalised TB patients** 55
*M. S. Westaway*

**Review Article**

**BCG vaccination and cancer** 61
*J. M. Grange, J. L. Stanford*

**Short Report**

**Tuberculous pancreatitis** 65
*K. F. Knowles, D. Saltman, H. G. Robson, R. Lalonde*

**Any Questions** 69

**Editorial Notices** 71

**Selected list of publications** 73

**Original Papers**

**An investigation of patients with pulmonary tuberculosis in Kuwait in preparation for studies of immunotherapy with *Mycobacterium vaccae*** 77
*G. M. Bahr, J. L. Stanford, T. D. Chugh, M. A Shaaban, M. Gabriel, B. Al-Shimali, Z. Siddiqui, F. Ghardani, G. A. W. Rook, A. Shahin, K. Behbehani*

**Immunotherapy with *Mycobacterium vaccae* as an adjunct to chemotherapy in the treatment of pulmonary tuberculosis** 87
*J. L. Stanford, G. M. Bahr, G. A. W. Rook, M. A. Shaaban, T. D. Chugh, M. Gabriel, B. Al-Shimali, Z. Siddiqui, F. Ghardani, A. Shahin, K. Behbehani*

**Natural killer cell activity in patients with pulmonary tuberculosis and in healthy controls** 95
*L. M. Restrepo, L. F. Barrera, L. F. Garcia*

**Complement activation in pulmonary tuberculosis** 103
*K. S. S. Sai Baba, K. D. Moudgil, R. C. Jain, L. M. Srivastava*

***In vitro* activities against mycobacteria of two long-acting rifamycins, FCE22807 and CGP40/469A (SPA-S-565)** 109
*J. M. Dickinson, D. A. Mitchison*

**A comparison of the relative sensitivity of two types of Heaf gun** 117
*D. Walker, A. Davie*

**Adenosine deaminase (ADA) in peritoneal tuberculosis: diagnostic value in ascitic fluid and serum** 121
*D. K. Bhargava, M. Gupta, S, Nijhawan, S. Dasarathy, A. K. S. Kushwaha*

**The diagnostic value of enzyme-linked immune sorbent assay using asorbed mycobacterial sonicates in children** 127
*E. U. Rosen*

**Ofloxacin and imipenem in the treatment of *Mycobacterium fortuitum* and *Mycobacterium chelonae* lung infections** 131
*W. W. Yew, S. Y. Kwan, P. C. Wong, J. Lee*

**The significance of glucose intolerance in pulmonary tuberculosis** 135
*P. O. Oluboyo, R. T. Erasmus*

**Short Reports**

**Tuberculous pleurisy—a family outbreak** 139
*J. J. Campbell, G. W. Allan, S. W. Banham*

**A case of resistant tuberculosis** 141
*N. Bhatti, N. Chronos, J. P. White, E. Larson*

**Eczema vaccinatum and postvaccinal BCG adenitis—case report** 145
*E. Sadeghi, P. V. Kumar*

**Renal allograft tuberculosis** 147
*A. M. Mansour*

**Any Questions** 149

**Selected list of publications** 151

**Leading Article**

**Tubercle 1978–1990** 157
*J. M. Grange*

**Original articles**

**Factors of prognostic significance in chinese children with tuberculous meningitis** 161
*M. J. Humphries, R. Teoh, J. Lau, M. Gabriel*

**Chromosome damage in untreated tuberculosis patients** 169
*V. V. N. Gopal Rao, E. V. Venkatarama Gupta, I. M. Thomas*

**Sister chromatid exchanges in the lymphocytes of tuberculosis patients receiving short-term chemotherapy** 173
*V. V. N. Gopal Rao, E. V. Venkatarama Gupta, I. M. Thomas*

**Evaluation of BCG at birth in the United Arab Emirates** 177
*M. R. Sedaghatian, A. K. Shana'a*

**Characterisation of plasmids extracted from AIDS-associated *Mycobacterium avium* isolates** 181
*S. L. Morris, D. A. Rouse, A. Malik, S. D. Chaparas, F. G. Witebsky*

**Tuberculosis in patients with various HLA phenotypes** 187
*A. G. Khomenko, V. I. Litvinov, V. P. Chukanova, L. E. Pospelov*

**Changes in serum proteins (albumin, immunoglobulins and acute phase proteins) in pulmonary tuberculosis during therapy** 193
*C. T. Wong, M. Saha*

***In vitro* bacteriostatic and bactericidal activity of isoniazid on the *Mycobacterium avium-Mycobacterium intracellulare* complex** 199
*M. Tsukamura*

**Minimal bactericidal and inhibitory concentrations of ofloxacin on *Mycobacterium fortuitum* at pH 7 and 5: therapeutic implications** 205
*W. Wai Yew, S. Yuk Lin Kwan, W. Keung Ma, K. Sang Li*

**Distribution of liposomes in tuberculous mice** 209
*L. C. Orozco, M. Forero, M. Wasserman, J. J. Ahumada*

**Differential effects of free and liposome encapsulated amikacin on the survival of *Mycobacterium avium* complex in mouse peritoneal macrophages** 215
*L. Kesavalu, J. A. Goldstein, R. J. Debs, N. Duzgunes, P. R. J. Gangadharam*

**Short Reports**

**Cardiac tamponade due to tuberculous mediastinal lymphadenitis** 219
*C. Paredes, F. del Campo, C. Zamarron*

**Tuberculosis of the breast: a rare modern disease** 221
*C. Domingo, J. Ruiz, J. Roig, A. Teixido, X. Aguilar, J. Morera*

**Hepatic tuberculosis: a rare cause of bleeding gastric varices** 225
*Shyr-Ming Sheen-Chen, Fong-Fu Chou, Dar-In Tai, Hock-Liew Eng*

**Primary tuberculosis of the penis in an infant** 229
*S. H. Annobil, A. Al-Hilfi, T. Kazi*

**Selected list of publications** 231

**Leading Article**

**Immunotherapy of tuberculosis** 237
*J. M. Grange*

**Discussion paper**

**Drug combinations and the bioavailability of rifampicin** 241
*W. Fox*

**Original articles**

**Patient compliance with tuberculosis treatment in Ghana: factors influencing adherence to therapy in a rural service programme** 247
*T. S. van der Werf, G. K. Dade, T. W. van der Mark*

**Five year results of a 3-month and two 5-month regimens for the treatment of sputum-positive pulmonary tuberculosis** 253
*R. Balasubramanian, S. Sivasubramanian, V. K. Vijayan, R. Ramachandran, M. S. Jawahar, C. N. Paramasivan, N. Selvakuman, P. R. Somasundaram*

**Improved immunotherapy for pulmonary tuberculosis with *Mycobacterium vaccae*** 259
*G. M. Bahr, M. A. Shaaban, M. Gabriel, B. Al-Shimali, Z. Siddiqui, T. D. Chugh, F. M. Denath, A. Shahin, K. Behbehani, L. Chedid, G. A. W. Rook, J. L. Stanford*

**A single step culture technique for tubercle bacilli** 267
*R. Vasanthakumari*

**Increased prevalence of diabetes mellitus in patients with pulmonary tuberculosis in Tanzania** 271
*F. Mugusi, A. B. M. Swai, K. G. M. M. Alberti, D. G. McLarty*

**Adrenocortical function in patients with pulmonary tuberculosis** 277
*G. Raghupati Sarma, Chandra Immanuel, Geetha Ramachandran, P. V. Krishnamurthy, V. Kumaraswami, R. Prabhakar*

**Drug resistance trends in *Mycobacterium tuberculosis*: Blackburn 1985–89** 283
*L. P. Ormerod, J. M. Harrison, P. A. Wright*

**Thiacetazone *in vitro* activity against *Mycobacterium avium* and *M. tuberculosis*** 287
*L. B. Heifets, P. J. Lindholm-Levy, M. Flory*

**Tuberculostatic activity of henna (*Lawsonia inermis* Linn.)** 293
*V. K. Sharma*

**Short Reports**

**Cutaneous vasculitis associated with tuberculosis and its treatment** 297
*C. H. S. Chan, Y. W. Chong, A. J. M. Sun, G. B. Hoheisel*

**Tuberculosis of the thyroid bed presenting as recurrent medullary thyroid carcinoma** 301
*R. Allan, W. O'Flynn, S. E. M. Clarke*

**Pulmonary disease caused by *Mycobacterium asiaticum*** 303
*L. Q. Taylor, A. J. Williams, S. Santiago*

**Selected list of publications** 306

**Index** 312
